TRAVIS COUNTY CONSTABLE PRECINCT 2

A MESSAGE FROM YOUR CONSTABLE

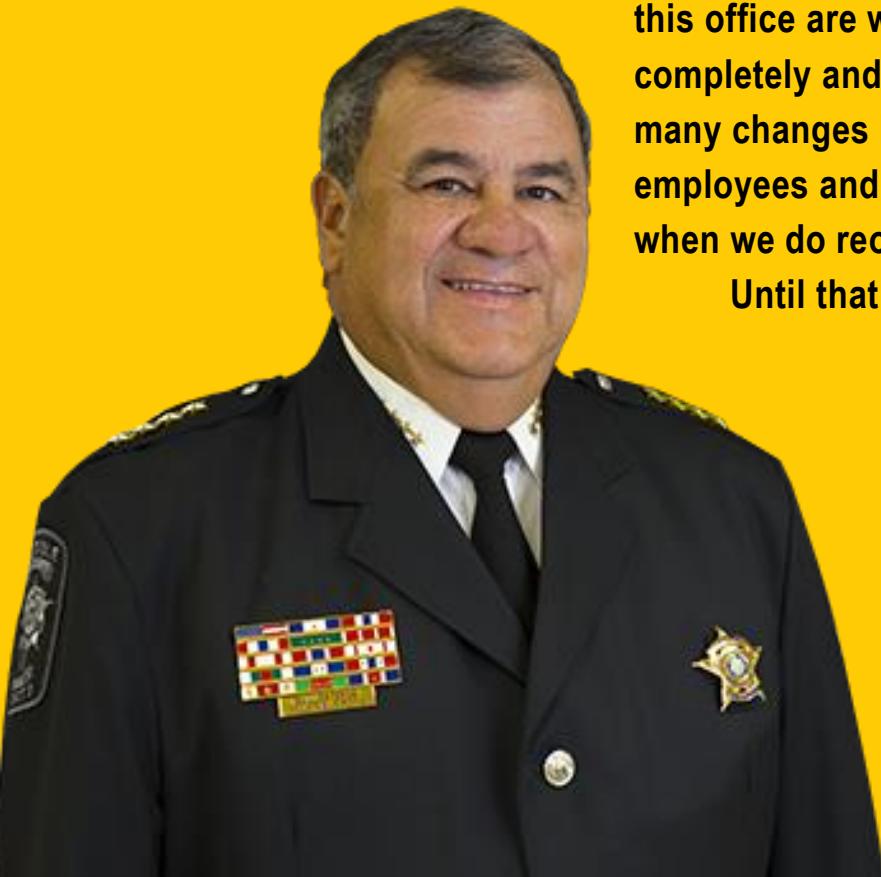

Greetings,

I would like to take a moment and thank each and every one of our Deputies for the great and sustained efforts put forth during the COVID-19 pandemic. Your dedication to service is vital to our community, providing a sense of security knowing you are still out there. I would also like to thank our dispatch for continuing to work from home while keeping the quality of service to all of the Deputies from all of the precincts. To our clerks, thanks for your efforts to keep the continuity of this office going. I look forward to the time when we can all be together again and we are past this pandemic.

I would like to let the public know the county and this office are working on procedures for re-opening completely and offering all of our services. There will be many changes because it will be very important all our employees and the community feel safe and protected when we do reopen our office.

Until that time, stay safe and healthy,

- Constable Adan Ballesteros
